

Gift Announcement

Superintendent John Cselovszki and the Sleepy Eye ISD 84 are pleased to announce a gift by Mary Ann Christensen in support of ISD 84's ongoing mission in striving for excellence in education for the students of the Sleepy Eye School District. The gift will fund, for a term of five years, one additional full time counselor and one additional full time ag teacher/FFA advisor. Mary Ann notes that "the Christensen Family and the Christensen Farms business have been blessed by the good work of ISD 84 over the years and are proud to support the Sleepy Eye School District program of continuous improvement for its students. For myself and my colleagues in the effort – Gary Koch and Kaitlin Pals – we are fully committed to excellence in education and this is one way we can demonstrate that commitment."
