

Prepare for your Vaccination Appointment

- Please plan on arriving no more than 10 minutes before your scheduled time. Any earlier and you may be asked to wait in your vehicle in order to properly social distance clinic attendees.
- You will need to stay on-site for entire scheduled time. Including the required 15min-30min after vaccination wait time.
- Please wear a mask, if you do not have one, one will be provided to you
- If you are unable to wear a mask, a face shield will be provided to you
- Social Distancing will be followed. Please plan to 6 foot distance as you enter the building as well as with any line you find yourself in.
- Wear a short-sleeved shirt if possible.

REMEMBER YOU CANNOT RECEIVE THE VACCINE IF:

- **If you already know that you will not be available for the second dose unless you are sick or in quarantine**
- **If you are in your 10 days of isolation because you have COVID 19 you are not eligible until after those 10 days are complete – not until day 11**
- **If you are in quarantine you cannot get the vaccine until a 14 day quarantine period is complete and you have NO symptoms and have tested negative towards the end of your quarantine period**
- **If you have had ANY other vaccine in the 14 days prior to your scheduled COVID 19 vaccination**
- **If you have had monoclonal antibody therapy (BAM) for COVID 19 illness in the last 90 days**

****If this is your second dose of COVID 19 vaccine, please bring the Vaccination Record Card you received at the first clinic so we can update it with your second dose.****
